Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 29 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain in east clearing then mainly dry with sunny spells.

Today:
Some rain in the east at first and some mist patches elsewhere but these will clear. Otherwise, a mainly dry and brighter day than of late with sunny spells. A few scattered showers in the southwest. Maximum temperature 12 deg C (54 deg F).

Tonight:
A dry start to the evening but rain will spread north across all parts, turning heavy at times with fresh southerly winds. Drier conditions will arrive into the west later. Minimum temperature 3 deg C (37 deg F).

Saturday:
Rain in the east will quickly clear then mainly dry with sunny spells. A few scattered showers will develop, mainly in the west. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Unsettled with further spells of heavy rain or showers on Sunday and Monday. Turning somewhat colder with sunshine and a few showers on Tuesday. Windy at times.
